

MM SUMMER 2019

Ocean Odyssey

Session I July 1st-July 26th

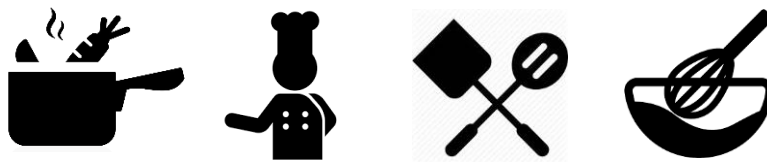

* Shark Week * Traveling Tide Pools * Water Play *
* Splash Days * Sing-Alongs * Creative Arts *

Get ready to dive into summer on our Ocean Odyssey! We're embarking on an underwater adventure all month long! We'll touch real live sea creatures in traveling tide pools, learn all about sharks that lurk in the deep, create beautiful works of art inspired by colorful coral reefs, and splash with our friends on water play days!

Top Chef Jr.

Session II July 30th-August 24th

* Cooking Projects * International Food Tastings * Food Science *
* Vegetable & Herb Gardening * Cooking Demonstrations *

Grab your chef hats and aprons... the summer is heating up in the kitchen! Let's take a culinary trip around the world! We'll taste foods from various cultures and countries, learn how to grow our own herbs and veggies, explore the science of gastronomy, and cook up some delicious and nutritious culinary masterpieces!
